MODERNE EFFECTS AND FINISHES

Taking our cue from Britain's long history of innovative art, we've thrown out the rule book to bring you Moderne - our amazing collection of finishes and effects with a streak of rebellion! It's all about mixing and matching: classic craft methods and time tested skill contrasted with boundary pushing looks and design.

SHINE

Chrome plated perfection. Any metallic colour available and also shaded colour-blended effects.

Start by choosing your perfect body shape and size from our library of over 80 forms and then use our fantastic range of effects and finishes as a starting point to get creative. We want you to have complete control, so any of the Moderne effects can be tweaked and altered to suit your specific needs. Each piece is lovingly hand crafted to your exact specifications, which means that your bespoke bust form will truly be one of a kind.

With the Moderne collection of effects and finishes you can have the look you want and be safe in the knowledge that you can rely on our incredibly high standards of quality and craftsmanship, time honoured for over 150 years.
